DRY MASONRY SAW — GATOR DMS DRY CUT BRICK SAW

Wel-Co is proud to introduce this new light weight, 14" masonry saw. Due to the robust, but lightweight all steel frame, the powerful Metabo 15 amp motor and the industrial grade air filter, the GatorDMS is suitable for the demands of professional use and has the reliability and simplicity for home rental.

The powerful Metabo motor will cut through hard brick, clay and concrete pavers as well as standard brick and block.
