

WET/DRY MASONRY SAWS

With a 14" capacity, Wel-Co's professional wet/dry cut masonry saws are built to last due to the robust 7 and 11 gauge steel frame, the powerful Honda 5.5 HP engine or Baldor 1.5 HP electric motor, heavy duty blade shaft, industrial grade ball bearings and the optional portable steel saw stand.

The portable saw stand positions the saw at a convenient height, insuring safe and comfortable operation.

STANDARD FEATURES

- **Dry Cutting** - no water to spill or freeze
- **Wet Cutting** - no dust, lower blade cost
- **Industrial Grade Water Pump** - longer pump life
- **1-Year Limited Warranty** - backed by a 30 year old company that you can depend on
